Planned Giving: Again, grateful thanks for the support you give to planned giving and the covenant scheme. During the last tax year this has brought an extra £3772.99 to the parish at no additional cost to anybody but the tax man. It is this additional money that is helping us to build up our reserves for decorating and reordering of the church building. Can we once again urge any British tax payer who is not part of the planned giving scheme to join? Please take a form from the back of the church. A covenant is a confidential scheme and information about your giving and tax reclaim is managed by the diocesan office alone.
